Below is an email from the Gail McMillan discussing the above:

Hi, Jacob.

Based on this statement at the first URL above:

Rights Advisory: No copyright restriction known. Staff photographer reproduction rights transferred to Library of Congress through Instrument of Gift.

I believe this image is in the public domain and you may use it in your ETD. Be sure to include this attribution and I don't think the Graduate School will have any problems with your use.

Good luck, Gail
