Missing Acknowledgments

The authors would like to add an acknowledgment to their paper [1], which was mistakenly missed. The acknowledgment is amended as follows.

Acknowledgments: The authors acknowledge Harrison Stewart's contributions regarding the text and citations in the third and fourth paragraphs of the Introduction section. The text was derived from an unpublished draft of Stewart's master's thesis scheduled to be submitted to Virginia Tech.

The authors state that the scientific conclusions are unaffected. This correction was approved by the Academic Editor. The original publication has also been updated.
