

**Modified Space Vector Modulation for a Zero-Voltage Transition  
Three-Phase to DC Bi-directional Converter**

by

Carlos E. Cuadros O.

Thesis submitted to the Faculty of the  
Virginia Polytechnic Institute and State University  
in partial fulfillment of the requirements for the degree of

**Master of Science**

in

**Electrical Engineering**

APPROVED:

---

Dr. Dushan Boroyevich, Chairman

---

Dr. Fred C. Lee

---

Dr. Dan Y. Chen

November 1996

Blacksburg, Virginia

**Keywords:** Three-Phase, Rectifier, Inverter, Soft-Switching, Bidirectional
