

Copyright Release Form

May 22, 2022

Graduate School, Virginia Tech

Blacksburg, VA

This document has been requested by the Signature Approval System hosted by the Virginia Tech Graduate School and is submitted along with my thesis, "Fuzz Testing Architecture Used for Vulnerability Detection in Wireless Systems", in partial fulfillment of the requirements for the degree of Master of Science in Computer Engineering.

I, Stephen Richard Mayhew, claim copyright protection for my M.S. thesis, "Fuzz Testing Architecture Used for Vulnerability Detection in Wireless Systems" (2022). In accordance with Virginia Tech Graduate School's requirements, I hereby grant to Virginia Tech and its agents the non-exclusive license to archive and make accessible, immediately, my thesis or dissertation [in whole or in part in all forms of media], now or hereafter known. I retain all ownership rights to the copyright of the thesis or dissertation. I also retain the right to use in future works (such as articles or books) all or part of this thesis or dissertation.

A handwritten signature in black ink, appearing to read 'S. Mayhew', written in a cursive style.

Stephen Mayhew
