How do I obtain permission to use Elsevier material that is NOT on ScienceDirect or Clinical Key? 

Can I use material from my Elsevier journal article within my thesis/dissertation? 

As an Elsevier journal author, you have the right to include the article in a thesis or dissertation (provided that this is not to be published commercially) whether in full or in part, subject to proper acknowledgment; see the [Copyright page](#) for more information. No written permission from Elsevier is necessary.

This right extends to the posting of your thesis to your university's repository provided that if you include the published journal article, it is embedded in your thesis and not separately downloadable.
