Seohyun Park,

You are welcome to use that map in your dissertation. The map should be credited to "Dorn Moore, International Crane Foundation" or just "International Crane Foundation".

Please let me know if you need a higher resolution version and I can provide it.

**Subject:** Permission to use image in my dissertation

Greetings,

I am Seohyun Park, a Ph.D. candidate at Virginia Tech. I am contacting you to request permission to use an image in my dissertation. I am wondering if I can use the image of the Korean Peninsula, the first image on this webpage:  
<https://savingcranes.org/travels-with-george-north-korea-fall-2012/>.

If I am authorized to use this image, there is no form to fill out, but you can email me back with a statement to that effect.

Best wishes,
