To Whom it may concern,

This letter is to confirm that Bryana Vasquez had my approval to use the de-identified data from the following IRB approved study on which I was named as the principal investigator. The data from this study was used by Bryana to answer the research questions she proposed in her master's thesis.

VT IRB 17-007, "Reduction of Risk Factors for ACL Re-injuries using an Innovative Biofeedback Approach"

Please let me know if you have any questions or concerns.

Sincerely,

Robin Queen, PhD, FACSM, FIOR, FASB, FAIMBE (She/Her)  
Professor  
Biomedical Engineering and Mechanics – Virginia Tech  
Professor of Orthopaedic Surgery – Virginia Tech Carilion School of Medicine  
Adjunct Professor – Edward Via College of Osteopathic Medicine  
Vice President Faculty Senate
