

1. To include my own publication, “*Xuanliang Deng, Shriram Raja, Yecheng Zhao, and Haibo Zeng. Priority assignment for global fixed priority scheduling on multiprocessors, IEEE Transactions on Computer-Aided Design of Integrated Circuits and Systems, 43(9):2538–2550, 2024. doi:10.1109/TCAD.2024.3376588*”, in dissertation, I followed the information on website [About Transferring Copyright to IEEE - IEEE Author Center Conferences](#) and the rules under question “**Can I reuse my published article in my thesis?**”. It states that if I include copyright notice then I do not need to request for permission.

Specifically, **I include copyright notice in reference 37**, which is my published work. I believe this fulfills the requirements of copyright.

2. To use another work published in *Journal of Systems Architecture*, I follow the guidelines on website “[Permissions | Elsevier policy](#)” and information under question “**Can I include/use my article in my thesis/dissertation?** This states that for non-commercial uses, I can reuse my own article.
