- d. Part-time farmers.....

- e. That had reached the point where they could go on with their farm and home development work without special extension assistance.....
- (Presumably these families will continue to participate in other phases of the county extension program.)
- f. That became inactive in farm and home development work because—
- (1) They quit farming.....
- (2) Other reasons.....
3. Of the total number reported in 1b above, how many families were assisted in—
- a. Developing their original plans this year through: /

- (2) Group contacts only.....
- (3) Both individual and group contacts with the same family.....
- b. Putting their plans into action this year through: /

- (2) Group contacts only.....
- (3) Both individual and group contacts with the same family.....
4. Of the total number reported in 1b above, how many families have 4-H Club members whose project activities this year directly support the family's farm and home plan..... /
5. In addition to the families "started" and "worked with" in farm and home development as reported above, how many farmers, homemakers, or families did you work with in identifying, analyzing and solving COMPLEX INTERRELATED problems of the farm and/or home but did not develop a total farm and home plan.
