**Subject:** IRB Exemption - Research Amendments

Dr. Currien MacDonald (or To Whom It May Concern):

My name is Adrien DeLoach, a doctoral student from Virginia Tech. On March 8, 2018, I was issued an IRB exemption for my research study entitled, "The Career Goal-Setting Processes of Black Woman Engineering Majors." Through Virginia Tech's IRB protocol, I'm listed as the Co-Investigator for this study. I'm now emailing you requesting to amend two documents (i.e., Informed Consent Form and Request for Participation) in order to continue my research. I recently logged on to the WIRB dashboard, but was unable to locate my previous application to make those changes. Attached are the revised documents with track changes. As you will see, modifications to both documents are minimal. If possible, could you please enlighten me as to what appropriate course of action I should take to fulfill this request? Any guidance you can provide would be greatly appreciated. Thank you and I eagerly await your response!

Respectfully,

Adrien
