

Copyright Release Form

July 20, 2019
Graduate School Virginia Tech
Blacksburg, VA

For the good and valuable consideration of the exchange of which is hereby acknowledged, I grant Virginia Tech a non-exclusive license to use my copyrighted thesis entitled "Magnetization Transfer and Diffusion Tensor Imaging in Dogs with Intervertebral Disc Herniation."

The license shall include the right to use, reproduced, publicly display, distribute, and transmit worldwide "Magnetization Transfer and Diffusion Tensor Imaging in Dogs with Intervertebral Disc Herniation" during the full term of the copyright in all media, now known or hereafter devised, including the internet, without payment of any royalty or license fee.

I acknowledge that all copies of "Magnetization Transfer and Diffusion Tensor Imaging in Dogs with Intervertebral Disc Herniation" submitted in connection with any entry shall remain the property of Virginia Tech. Virginia Tech agrees to include in reproductions of "Magnetization Transfer and Diffusion Tensor Imaging in Dogs with Intervertebral Disc Herniation" a reasonable copyright notice and credits provided that the necessary copyright and credit information is noted below.

By submitting this Copyright Release Form, I represent that I have obtained all permission necessary to grant the rights granted by this form and that use or reproduction of "Magnetization Transfer and Diffusion Tensor Imaging in Dogs with Intervertebral Disc Herniation" by Virginia Tech, as permitted by this Copyright Release Form, shall not infringe or violate any copyright, trademarks, trade secrets, rights of privacy or any other statutory or common law propriety or other rights.

I agree that any royalties or license fee charged for use of "Magnetization Transfer and Diffusion Tensor Imaging in Dogs with Intervertebral Disc Herniation" shall be paid by the Entrant and not Virginia Tech.

A handwritten signature in black ink, appearing to read 'Richard Shinn', written in a cursive style.
