

## Table of Contents

Abstract .....	ii
Acknowledgments .....	iv
Table of Contents .....	v
List of Tables .....	vi
List of Figures .....	vii
Definitions and Abbreviations .....	ix
Chapter 1 – Introduction .....	1
Chapter 2 – Literature Review .....	6
2.1 - Cardiac Output Measurement Methods .....	6
2.2 – Pharmacology of Drugs Used in This Experiment .....	37
Chapter 3 – Determination of Cardiac Output Across a Range of Values in Standing Horses by M-mode Echocardiography And Thermodilution .....	82
Chapter 4 – Use of Dopamine, Dobutamine, and Detomidine Plus Butorphanol to Alter Cardiac Output in a Study Comparing the Measurement Methods of M-mode Echocardiography and Thermodilution in Anesthetized Horses ..	103
Chapter 5 – Determination of Cardiac Output Across a Range of Values In Anesthetized Horses by M-mode Echocardiography and Thermodilution .....	123
Chapter 6 – Comparison of M-mode Echocardiography and Thermodilution for Determination of Cardiac Output Across a Range of Values in Anesthetized Horses .....	143
Chapter 7 – General Conclusions .....	166
Curriculum Vitae .....	168
