## **Proclamation Signing - "I Ask" for Consent**

I Ask” for Consent is a campaign to raise public awareness about sexual violence and educate communities on how to prevent it. The campaign theme, I Ask, champions the message that asking for consent is a healthy, normal, and necessary part of everyday interactions. We invite all members of the VT community to take part in the “I Ask” for Consent campaign, and virtually sign their names to the Proclamation stating their commitment to putting consent into practice. The goals of the campaign are to raise awareness about sexual violence, promote community engagement on how to change social/community norms, and prevention

as part of an ongoing process to educate members about consent and share valuable information about resources and services.

Virtual signing will take place October 16 - 23, 2020.

We hope this email finds you well! In partnership with Virginia Tech Alumni Relations, we are proud to announce the introduction of Virginia Tech's first-ever Hispanic & Latinx Alumni Society.

As the Latinx community continues to grow and flourish on campus as evidenced by the most recent admission class, our historic 2019 Homecoming win, and other remarkable achievements, we deem it necessary to establish an alumni network that will both strengthen connections between alumni, and facilitate their relations with current Virginia Tech students.

While we cannot plan any in-person events for this fall due to the current circumstances, we are hosting host a virtual Zoom opportunity for alumni and students. We truly hope you will [register](#) and join for a fun night of conversation and games during our very first student and Alumni Meet & Greet! The virtual event will be held on October 28, 2020, from 6 pm to 7:30 pm.

In addition, in the Spring of 2021 and COVID 19 permitting, please join us in-person for our first major in-person reunion event around Latin Link's annual Culture Show in April. In the meantime, join our [VT Hispanic and Latino Alumni](#) Facebook group for updates on upcoming events and information.

With your engagement, we can provide a successful and impactful experience for alumni and our community.
