Educator Resources:

AAMC Building Better Curriculum Learning Series: *New and Emerging Trends in Health Professions Education* is a virtual collaborative learning series aimed to raise awareness and

take a deep-dive into a topic about how our transforming health care system is shaping health professions education. All sessions are free. To learn more email: CurricularInnovation@aamc.org.

Free CME Credit Available for "Nature & Human Health" Webinar: The "Nature & Human Health: evidence & action" webinar hosted by Park Rx America is eligible for **1.0 AMA PRA Category 1 credit**. The webinar is offered free of charge and geared toward medical professionals! [Click here](#) to check it out!

Educator Opportunities:

Annual IAMSE Meeting 2021: Registration Now Open for the 25th Annual Meeting of IAMSE, June 12 - 17, 2021. At this annual meeting of the International Association of Medical Science Educators (IAMSE) faculty, staff, and students from around the world who are interested in medical science education join together in faculty development and networking

opportunities. Featured plenary speakers include Camille Bentley (USA), David Gordon (UK), Atsusi Hirumi (USA) and Stewart Mennin (Brazil). Additional meeting details and registration can be found [here](#).

AAMC Council of Faculty and Academic Societies & Group on Faculty Affairs Joint Meeting, April 14 - 16, 2021: Save the date for the collaboration this spring between the AAMC Council of Faculty and Academic Societies ([CFAS](#)) and the Group on Faculty Affairs ([GFA](#)). Join virtually to reflect on this challenging and transformative time for academic medicine and connect with colleagues to explore the future of scholarship, leadership, and professional development for faculty and staff in academic medicine, education, and research. Find more about this event [here](#).

IPEC Virtual Faculty Development Institute: The Interprofessional Education Collaborative (IPEC) will host a virtual faculty development institute in May 2021, which will address the theme of building interprofessional education for collaborative practice and health equity. [Click here](#) to learn more!

IPEC & APA Webinar on Promoting Health and Well-being Among Learners: The Interprofessional Education Collaborative (IPEC) and the American Psychological Association (APA) will host a webinar on Tuesday, February 23, 2021, 2:00 pm - 3:00 pm ET to address the mental health and wellness needs of interprofessional learners. Participants will hear innovative strategies to integrate wellness academic programming into interprofessional education curricula. [Click here](#) to learn more.

Submit Manuscripts for Medical Science Educator Special Edition: Medical Science Educator, the journal of IAMSE, will be publishing a special journal section dedicated to Global Perspectives on Health Sciences Education. Manuscripts to be considered for this section must be submitted by Monday, March 1, 2021. [Click here](#) for more details.
