VISIT your Extension Office ...your CONSUMER EDUCATION CENTER

You and members of your family make consumer decisions every day. Your Extension office has the latest in unbiased, scientific information to help you with these decisions . . . on what to buy, how to use it, and how to care for it.

Your Extension office can help you be a better shopper. Learn to get the most satisfaction from the money you spend for goods and services, and to use credit wisely.

**Publication 71
Cooperative Extension Service
Reprint June 1968**

Issued in furtherance of Cooperative Extension work, Acts of May 8 and June 30, 1914, in cooperation with the U. S. Department of Agriculture. W. E. Skelton, Director of Extension Service, Virginia Polytechnic Institute, Blacksburg, Virginia 24061.

How to get help from your Extension Office...

Visit - Phone - Write

You can also attend special meetings and workshops conducted by Extension agents. Keep up with Extension news columns, TV, and radio programs.

If your Extension agents don't have the answers, they can tell you who does, since they work closely with all other agencies.
