Hi Danny,

Thank you for your inquiry. AIAA grants permission for you to reuse all or parts of the paper in your dissertation. Please acknowledge within the main text or a footnote that relevant sections/chapters/figures from your thesis/dissertation are reprinted with permission (e.g., "From [paper title and authors]; reprinted by permission of the American Institute of Aeronautics and Astronautics, Inc."). Note that the original source should be cited in full in the reference list.

Best,

Kat
