To: bj@biophysics.org

To whom it may concern,

I was wondering if I might reproduce Figure 1 of Tyson et. al. (1999) Biophys J. vol. 77, page 2411-2417 in my dissertation paper? (My advisor is John Tyson, the first author of this article).

Thank you for your time,

Emery Conrad

Dr. Conrad,

What is your fax number? I will fax the completed and signed permission form to you. Thanks.
