Reproduction Method ("Publication Media"): Please provide a complete description of how and where the Work will be used. Include the following elements as applicable: publication name, issue, circulation, print run, web site address, conference name, presentation time and place, etc.

Use of Figure 6 in literature review section of my dissertation.

NACE International ("NACE") hereby grants to "Publisher" the right to publish the Work utilizing the Publication Media described above. The publication right granted herein is limited to the specific Publication Media described above. To the extent the publication of the Work is to occur by an above-specified date, such as in a particular periodical or at a particular conference, the right granted herein shall automatically terminate upon the date of such occurrence, whether or not the Work is actually published. To the extent the Publication Media is a web site, the publication rights limited to publication at the specific web site URL identified above. Any right granted herein is a limited, non-transferable, non-exclusive right. No other rights in the Work are granted herein.

Publisher shall not edit or modify the Work except to meet the style and graphic requirements of the individual media involved. The Publisher shall include the following notation with any publication of the Work.*

- A. **Conference Paper**
Reproduced with permission from NACE International, Houston, TX. All rights reserved. Author(s), Paper NUMBER presented at CORROSION/YEAR, City, State. ©NACE International/FIRST YEAR OF PUBLICATION.
- B. **Journal Article**
Reproduced with permission from NACE International, Houston, TX. All rights reserved. Author(s) name, Article title, Journal title, Vol. no., Issue no., and publication year. © NACE International FIRST YEAR OF PUBLICATION.
- C. **Magazine Article**
Reproduced with permission from NACE International, Houston, TX. All rights reserved. Author(s) name, Article title, Magazine title, Vol. no., Issue no., and publication year. © NACE International FIRST YEAR OF PUBLICATION.
- D. **Standards**
STANDARDS/TECHNICAL COMMITTEE REPORT NAME. © NACE International/YEAR. All rights reserved by NACE. Reprinted with permission. NACE standards are revised periodically. Users are cautioned to obtain the latest edition; information in an outdated version of the standard may not be accurate.

* Modifications to Notations: Other reference wording can be used, but must be approved by NACE in writing in advance.

The Publisher shall include full bibliographic citations of or references to the original NACE sources, where applicable. Publisher shall obtain a copy of the original Work directly from NACE International and shall not utilize copies of the Work from other sources, including the author(s).

To the extent the Work is published on a web site as authorized herein, the Work shall be posted in a file format that does not allow the content of the Work to be easily copied from the Web Site or changed.

As between NACE and Publisher, Publisher acknowledges that NACE owns all rights in the Works. Publisher shall not be entitled to any compensation for its efforts in promoting the Work.

THE WORK IS PROVIDED "AS IS." ALL EXPRESS OR IMPLIED COVENANTS, CONDITIONS, REPRESENTATIONS OR WARRANTIES, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR CONDITIONS OF ACCURACY, COMPLETENESS OR QUALITY AND THOSE ARISING BY STATUTE OR OTHERWISE IN LAW, ARE HEREBY DISCLAIMED.

IN NO EVENT WILL NACE BE LIABLE FOR ANY DIRECT, INDIRECT, PUNITIVE, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES IN CONNECTION WITH OR RELATED TO THIS AGREEMENT (INCLUDING LOSS OF PROFITS, USE, DATA, OR OTHER ECONOMIC ADVANTAGE), HOWSOEVER ARISING.

This Agreement and the rights granted herein may be terminated immediately by NACE upon breach of this Agreement by Publisher. Unless earlier terminated, this Agreement and the rights granted herein will automatically terminate 6 months from the Date set forth above. If the Work has not been published within that time period, a new Agreement must be obtained.

Publisher may not, directly or indirectly, sell, assign, sublicense, lease, rent, distribute, or otherwise transfer this Agreement or any rights granted herein, without the prior written consent of NACE.

If any provision of this Agreement is found to be unenforceable, then this Agreement shall be deemed to be amended by modifying such provision to the extent necessary to make it legal and enforceable while preserving its intent. The remainder of this Agreement shall not be affected by such modification.

This Agreement does not create, and shall not be construed to create, any employer-employee, joint venture or partnership relationship between the parties. No officer, employee, agent, servant or independent contractor of either party shall at any time be deemed to be an employee, servant, agent or contractor of any other party for any purpose whatsoever.

This Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of Texas, without regard to the choice of law provisions of that State.

This Agreement shall only be effective if signed by authorized representatives of both parties. This Agreement constitutes the entire Agreement between the parties with respect to the subject matter of this Agreement. Any change, modification or waiver hereto must be in writing and signed by authorized representatives of both parties.

Tel: 281-228-4200
Fax: 281-228-8300

Permission to Reproduce Figures, Photos, and Tables from Copyrighted Works

Date: 08/20/2018
Name: Robert J. Mills Title: Graduate Research Assistant
Company: ("Publisher"), Virginia Tech
Address: 406 G Goodwin Hall 635 Prices Fork Road Blacksburg VA, 24061
Tel: 434-334-6900 Fax:
Email: jrjmlis@vt.edu

Material to be Reproduced ("Work"): Please provide a complete description of the material involved. Include the following elements where applicable: publication name, issue date, page number, figure/photo/table number, paper number, conference name, etc.
A Survey of Sensitization in 5xxx Series Aluminum Alloys
Corrosion, Vol 72, Issue 2, page 150, 2016, Figure 6
<https://doi.org/10.5006/1787>

Reproduction Method ("Publication Media"): Please provide a complete description of how and where the Work will be used. Include the following elements as applicable: publication name, issue, circulation, print run, web site address, conference name, presentation time and place, etc.
Use of Figure 6 in literature review section of my dissertation.

NACE International ("NACE") hereby grants to "Publisher" the right to publish the Work utilizing the Publication Media described above. The publication right granted herein is limited to the specific Publication Media described above. To the extent the right granted herein shall automatically terminate upon the date of such occurrence, whether or not the Work is actually published. To the extent the Publication Media is a web site, the publication right is limited to publication at the specific web site URL identified above. Any right granted herein is a limited, non-transferable, non-exclusive right. No other rights in the Work are granted herein.

Publisher shall not edit or modify the Work except to meet the style and graphic requirements of the individual media involved. The Publisher shall include the following notation with any publication of the Work:

A. Conference Paper
Reproduced with permission from NACE International, Houston, TX. All rights reserved. Author(s) name, Paper NUMBER presented at CORROSION/YEAR, City, State. © NACE International FIRST YEAR OF PUBLICATION.

B. Journal Article
Reproduced with permission from NACE International, Houston, TX. All rights reserved. Author(s) name, Article title, Journal title, Vol. no., Issue no., and publication year. © NACE International FIRST YEAR OF PUBLICATION.

C. Magazine Article
Reproduced with permission from NACE International, Houston, TX. All rights reserved. Author(s) name, Article title, Magazine title, Vol. no., Issue no., and publication year. © NACE International FIRST YEAR OF PUBLICATION.

D. Standards
STANDARDS/TECHNICAL COMMITTEE REPORT NAME © NACE International YEAR. All rights reserved by NACE. Reprinted with permission. NACE standards are revised periodically. Users are cautioned to obtain the latest edition; information in an outdated version of the standard may not be accurate.

* Modifications to Notations: Other reference wording can be used, but must be approved by NACE in writing in advance.

The Publisher shall include full bibliographic citations of or references to the original NACE source, where applicable. Publisher shall obtain a copy of the original Work directly from NACE International and shall not utilize copies of the Work from other sources, including the author(s).

To the extent the Work is published on a web site as authorized herein, the Work shall be posted in a file format that does not allow the content of the Work to be easily copied from the Web Site or changed.

As between NACE and Publisher, Publisher acknowledges that NACE owns all rights in the Works.

Publisher shall not be entitled to any compensation for its efforts in promoting the Work.

THE WORK IS PROVIDED "AS IS." ALL EXPRESS OR IMPLIED COVENANTS, CONDITIONS, REPRESENTATIONS OR WARRANTIES, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR CONDITIONS OF ACCURACY, COMPLETENESS OR QUALITY AND THOSE ARISING BY STATUTE OR OTHERWISE IN LAW, ARE HEREBY DISCLAIMED.

IN NO EVENT WILL NACE BE LIABLE FOR ANY DIRECT, INDIRECT, PUNITIVE, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES IN CONNECTION WITH OR RELATED TO THIS AGREEMENT (INCLUDING LOSS OF PROFITS, USE, DATA, OR OTHER ECONOMIC ADVANTAGE), HOWSOEVER ARISING.

This Agreement and the rights granted herein may be terminated immediately by NACE upon breach of this Agreement by Publisher. Unless earlier terminated, this Agreement and the rights granted herein will automatically terminate 6 months from the Date set forth above. If the Work has not been published within that time period, a new Agreement must be obtained.

Publisher may not, directly or indirectly, sell, assign, sublicense, lease, rent, distribute, or otherwise transfer this Agreement or any rights granted herein, without the prior written consent of NACE.

If any provision of this Agreement is found to be unenforceable, then this Agreement shall be deemed to be amended by modifying such provision to the extent necessary to make it legal and enforceable while preserving its intent. The remainder of this Agreement shall not be affected by such modification.

This Agreement does not create, and shall not be construed to create, any employee-employee, joint venture or partnership relationship between the parties. No officer, employee, agent, servant or independent contractor of either party shall at any time be deemed to be an employee, servant, agent or contractor of any other party for any purpose whatsoever.

This Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of Texas, without regard to the choice of law provisions of that State.

This Agreement shall only be effective if signed by authorized representatives of both parties. This Agreement constitutes the entire Agreement between the parties with respect to the subject matter of this Agreement. Any change, modification or waiver hereof must be in writing and signed by authorized representatives of both parties.

Other Terms & Conditions:

Publisher hereby requests permission to publish the Work described above and agrees to comply with all Terms and Conditions listed above.
