Dear Ms. Carson,

This letter is to confirm our recent communication regarding my use of two Pearson color photographs. I am completing a doctoral dissertation at Virginia Polytechnic Institute and State University entitled *Virginia's Implementation of Web-based High-stakes Testing in Public Education*. I am requesting permission to reprint two color photographs that depict blue numbered carts with paper answer documents prepared for processing in a Pearson facility.

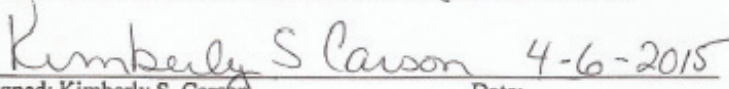

The requested permission extends to any future revisions and editions of my dissertation and to the prospective publication of my dissertation by ProQuest/UMI Company. These rights will in no way restrict republication of the material in any other form by you or by others authorized by you. Your signing of this letter will also confirm that your company owns any and all copyrights to the above-described photographs.

If these arrangements meet with your approval, please sign this letter where indicated below and return it to me at your earliest convenience. Thank you.

Sincerely,

Sarah J. Susbury
