

Road to Publishing: Imagery and Setting

Your editor says...

Element	You need to go back to the drawing board	You need multiple revisions	You need one more revision	Your work is publishable!
Imagery	There is no imagery.	The imagery is confusing and does not seem related to story elements.	The imagery does not always fit with the other story elements.	The imagery fits well with the other story elements.
Setting	The setting is never clarified.	There are missing details about the setting, without a reason.	Some details of the setting are inconsistent.	The setting is clear and consistent.
