

## Copyright Release

This document has been requested by the Signature Approval System hosted by the Virginia Tech Graduate School (<https://ess.graduateschool.vt.edu/>) and is submitted along with a PDF copy of my dissertation, “Suitability of Native Warm-Season Grasses for Equine”, in partial fulfillment of the requirements for the degree of Doctor of Philosophy in Crop and Soil Environmental Science.

I, Shayan Ghajar, claim copyright protection for my Ph.D. dissertation, “Suitability of Native Warm-Season Grasses for Equine” (2020). In accordance with VT Graduate School requirements, I hereby grant to Virginia Tech and its agents the non-exclusive license to archive and make accessible my thesis or dissertation [in whole or in part in all forms of media], now or hereafter known. I retain all ownership rights to the copyright of the thesis or dissertation. I also retain the right to use in future works (such as articles or books) all or part of this thesis or dissertation.
