Hi-:  
My name is Pengfei Li. This year I submitted one paper and it was accepted for publication in the ASCE Journal of Transportation Engineering. It will be also one chapter of my dissertation. I wonder whether you can issue an permission stating that I am allowed to use that paper in my dissertation. The paper is still waiting for publication and so we can't get permission on line. Would you please issue the reuse permission for me to use in my dissertation.  
Thanks  
sincerely  
Pengfei Li
