Hello Kristen,

Thank you so much for reaching out about this permissions request. We are happy to grant this permissions request as gratis, considering it "author use" and we just ask that you please include the following citation wherever relevant:

Swedberg, Kristen, et al. "Spatial Heterogeneity in Hedonic Price Effects for Lake Water Quality" *Land Economics* vol. 100 no. 1 (2024): 89-108. © 2024 by the Board of Regents of the University of Wisconsin System. Reprinted courtesy of the University of Wisconsin Press.

Thanks again,
Molly

Subject: Republishing Article in Dissertation Chapter

Hi,

I would like to republish my article "Spatial Heterogeneity in Hedonic Price Effects for Lake Water Quality" from the February 2024 issue of *Land Economics* (vol. 100, no. 1) as a chapter in my dissertation. I've included reference to the previous publication in the dissertation.

Thanks!
Kristen Swedberg
