Learning

November 19, 2011

Before proceeding on the handout on creating bibliography from a selected article in Zotero:

- I would encourage you to go through the asynchronous module on importing from Zotero.

CREATING BIBLIOGRAPHY FROM A SELECTED ITEM IN ZOTERO

First Example

1. Inside Zotero, click on the **2010 4th International Conference on Application of Information** article that was saved from the asynchronous module on importing into Zotero
2. Right mouse click if using a PC (A pop up window opens up with about 10 selections)
3. Select **Create bibliography from selected item** (Another window pops up titled **Create Bibliography**)
4. Select **American Psychological Association 6th Edition** because that is the reference style I have chosen. You can choose any of the available styles from Zotero.
