Data Extraction Form

Data extraction form for a scoping review: Literature on undergraduate research and career readiness

Directions

Information should be copy and pasted directly from each study to reduce discrepancies. Chunks of text can be copy and pasted when responses are longer than just a few words but entire paragraph(s) aren't needed.

Publication Characteristics

- Ref ID#
- Journal Title
- Study Title
- Lead Author (Last name, First name)
- Year of Publication

Study Characteristics

- Type of Institution
 - Public
 - Private
 - 4 year
 - 2 year
 - Multiple collaborators
 - Institution unknown
 - Minority Serving Institution (MSI) (eg. Historically Black Colleges and Universities (HBCUs), Hispanic-Serving Institutions (HSIs), Tribal Colleges and Universities (TCUs), and Asian American and Pacific Islander Serving Institutions (AAPISIs).
- Aims/Purpose
- Sample Size
- Discipline of Students

Career Readiness Aspect

- NACE Competency or Skill

- Career & Self Development
- Communication
- Critical Thinking
- Equity & Inclusion
- Leadership
- Professionalism
- Teamwork
- Technology
- Career Readiness Intervention

Career Readiness Assessment

- How was it assessed (e.g. rubric)?
- What were the outcomes of the assessment?
- Are there any practices or recommendations that we would like to share from this work?
