Dear Dr. John Randolph:

I am completing a doctoral dissertation at Virginia Polytechnic and State University entitled "The adoption of low impact development by local governments". I would like your permission to use in my dissertation excerpts from the following:

Randolph, J. (2004). *Environmental Land Use Planning and Management*, Washington, D.C.: Island Press, 2004, p435

The excerpts to be reproduced are: figure 1 showing the evolution of stormwater management (please see attachment).

The requested permission extends to any future revisions and editions of my dissertation, including non-exclusive world rights in all languages, and to the prospective publication of my dissertation. These rights will in no way restrict republication of the material in any other form by you or by others authorized by you. Your signing of this letter will also confirm that you own the copyright to the above-described material.

If these arrangements meet with your approval, please sign this letter where indicated below and return it to me. Thank you very much.

Sincerely,

Moonsun Jeong
