Name:	M. Joseph Wolf
Job Title:	Graduate Student
Institution:	Virginia Polytechnic Institute and State University
Title of Work Used:	Three Maps from "Norse Heritage in the Isle of Man," in The Early Cultures of North West Europe, ed. H.M. Chadwick (Cambridge: Cambridge University Press, 2013)
Copyright Holder:	Basil and Eleanor Megaw
Publication Status:	Published
Publisher:	Cambridge University Press
Place of Publication:	Cambridge, UK
Publication Year:	2013
Description of Work:	Three illustrative Maps of the Isle of Man. One detailing the island's land divisions, one detailing Norse burials and inscribed cross locations on the island, and one detailing the placement of the island within the Kingdom of Man and the Isles.
Date of Evaluation:	May 12, 2014
Date of Intended Use:	May 12, 2014

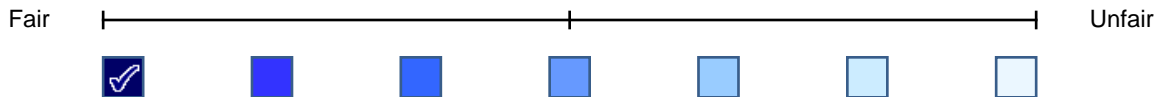

Describe the **Purpose** and Character of Your Intended Use:

[+] Use is for "scholarship and/or research"
[+] Use is transformative, i.e. it uses the existing work in a new way: the figure is used to illustrate a point as a component of a larger original argument; the work is cited as a point in support of an academic argument.
[+] Use is not-for-profit: used in an academic thesis in pursuit of an M.A.

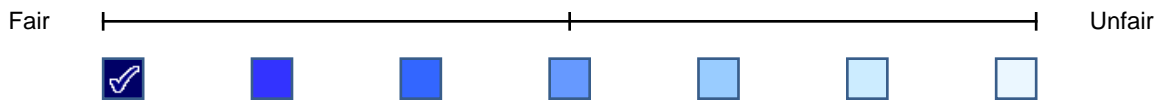

Describe the **Nature** of Your Intended Use of the Copyrighted Work:

[+] Work to be used has been previously PUBLISHED
[+] Work to be used is primarily of a factual nature (non-fiction, collection of facts, etc.)
[+] Work to be used contains limited new knowledge, content, or creative expression (in relation to previously copyrighted works)
[+] Original work was not created and/or has not been marketed for the stated purpose of the proposed use

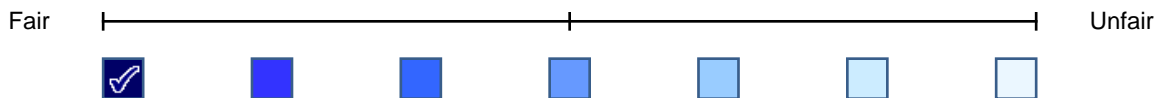

Describe the **Amount** of Your Intended Use in Relation to the Copyrighted Work as a Whole:

[+] The portion used is not the “heart” of the work (the portion considered most central to the work as a whole): only used to illustrate a minor point.
[+] Only the amount required to achieve the stated, socially-beneficial purpose or objective will be used (scholarly)
[+] Only limited and reasonable portions will be used (three maps)

Describe the **Effect** of Your Intended Use on the Potential Market or Value of the Copyrighted Work:

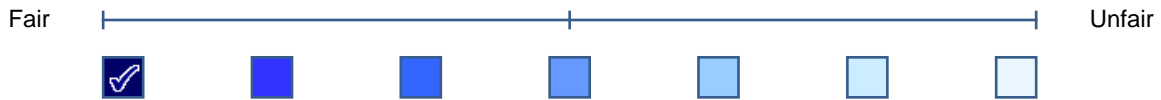

[+] The work is NOT currently under commercial exploitation (out of print, no licensing available, etc.)
[+] A market for the work as it will be used is absent or is negligible & use of the work will have little or no negative impact on its value or potential value
[+] Proper attribution will be given with the intended use

The Average **"Fairness Level,"** Based on Your Rating of Each of the 4

Factors, Is:

[\[see tool disclaimer for important clarifying information\]:](#)

Other Important Criteria:

The works used are used in an academic context and are cited clearly. Every effort has been made to attribute the work. The use of this work is no different from, for instance, citing a quotation, which is universally considered fair use in an academic publication.

Based on the information and justification I have provided above, I, M. Joseph Wolf, am asserting this use is **FAIR** under Section 107 of the U.S. Copyright Code.
