ACKNOWLEDGMENTS

The author expresses her most sincere appreciation to her advisor, professor, and friend, Dr. Joann Boles, for her guidance, advice, enthusiasm, and valuable support throughout this study. To Dr. Valerie Giddings for her time and guidance through the analysis of the study and Dr. James Fortune for analysis consultation. To the other members of her committee, , Dr. Catherine Cerny, and Dr. Roberta Minish, the author wishes to express her sincere gratitude for their interest, guidance, and assistance.

Special acknowledgments are made to the following individuals for their cooperation and assistance with this study:

U S Airways flight attendants who participated in the study.

Linwood Ricks, U S Airways F/A Supervisor, Charlotte, NC

Stephen S. Kingsley, Manager Inflight Services, Charlotte, NC

The author would also like to give special recognition to her husband, Richard M. Lowman, for his love, support, interest and understanding.
