EDUCATION

July 1998 to Present **Postdoctoral Fellowship in Clinical Psychology**
Virginia Treatment Center for Children
Medical College of Virginia Hospitals
Virginia Commonwealth University
Richmond, Virginia

July 1997 to June 1998 **Clinical Psychology Internship Training Program**
Virginia Treatment Center for Children
Medical College of Virginia Hospitals
Virginia Commonwealth University
Richmond, Virginia

July 1997 to June 1998 **Maternal and Child Health Interdisciplinary Leadership**
Education Program in Childhood
Neurodevelopmental and Related Disabilities
Maternal and Child Health Bureau
Medical College of Virginia
Virginia Commonwealth University
Richmond, Virginia

1994 to Present **Candidate, Doctor of Philosophy**
Clinical Psychology
Clinical Child Specialization
Virginia Polytechnic Institute and State University
Blacksburg, Virginia

1988 to 1990 **Master of Science**
Clinical Psychology
Abilene Christian University
Abilene, Texas

EDUCATION (Continued)

1983 to 1987 **Bachelor of Science**
Psychology Major
Oklahoma State University
 Stillwater, Oklahoma

CLINICAL EXPERIENCE

July 1998 to **Postdoctoral Fellowship in Clinical Psychology**
 Present **Medical College of Virginia**
 Virginia Commonwealth University
 Richmond, Virginia

Function as a Behavior Team Leader at a state psychiatric hospital in Petersburg, Virginia under the direction of Nirbhay N. Singh, Ph.D. Responsibilities include training staff to implement behavioral interventions, conducting clinical observations and assessments of residents, consulting with psychologists on behavior program development and implementation, participating on Behavior Management Committee, and facilitating the development of facility-wide procedures for program development, implementation and documentation. Also provide behavioral consultation services for other psychiatric hospitals in Virginia.

July 1998 to **Postdoctoral Fellowship in Clinical Psychology**
 Present **Assessment Clinic for Children with Developmental**
 Disorders
 Virginia Treatment Center for Children
 Medical College of Virginia Hospitals
 Virginia Commonwealth University
 Richmond, Virginia

Coordinate a grant-funded multidisciplinary assessment clinic for children with developmental disorders under the direction of Donald P. Oswald, Ph.D. Duties include providing information to team members, scheduling clinics, conducting screening and intake interviews, conducting structured developmental interviews with parents, providing clinical assessment of children attending clinic, facilitating team discussions, writing reports of diagnostic evaluations, and providing feedback to parents. Also participate write-up and dissemination of information related to this clinic.

CLINICAL EXPERIENCE (Continued)

July 1997 to
June 1998

Clinical Psychology Internship Training Program
Virginia Treatment Center for Children
Medical College of Virginia Hospitals
Virginia Commonwealth University
Richmond, Virginia

Responsibilities included providing individual and family therapy and psychological assessment for inpatient and outpatient children and adolescents; group psychotherapy for children on inpatient unit; consultation on psychological issues for children hospitalized for medical reasons; liaison service for children in pulmonary unit of hospital; and neuropsychological assessment of children with head injuries and other neurological difficulties. Other activities included attending rounds; conducting school visits; facilitating treatment team meetings; attending and participating in didactic seminars; individual Ph.D. supervision; peer supervision; and *in vivo* team supervision of family therapy.

January 1998 to
June 1998

Social Skills Enhancement Group
The Autism Program of Virginia
Richmond, Virginia

Developed and conducted group for adolescents with Asperger's Syndrome and Autism. Group activities were designed to facilitate the acquisition of social skills necessary for successful social and business interactions.

January 1998 to
June 1998

Clinical Practicum
Child Development Clinic
Medical College of Virginia
Richmond, Virginia

Participated as a member of a Child Development Center team headed by Cynthia Ellis, M.D. Duties included providing liaison services, assessment and psychotherapy for children with AD/HD and other externalizing disorders, emotional disorders, and behavioral difficulties.

CLINICAL EXPERIENCE (Continued)

Fall 1996 to
Spring 1997

Clinical Practicum
Virginia Polytechnic Institute and State University
Blacksburg, Virginia

Duties included individual and group outpatient psychotherapy and assessment for children, adolescents, adults, and families; participation on practicum teams; individual Ph.D. supervision; and supervision of beginning clinicians.

May 1996 to
August 1996

Graduate Clinician
Psychological Services Center and Child Study Center
Virginia Polytechnic Institute and State University
Blacksburg, Virginia

Provided assessment and psychotherapy services to adults, children, couples and families at a graduate training clinic. Assisted in managing an AD/HD assessment clinic and participated in data management and psychological assessment of children and families at that clinic.

Fall 1995 to
Spring 1996

Clinical Externship
Child Study Center
Virginia Polytechnic Institute and State University
Blacksburg, Virginia

Completed requirements for externship through an AD/HD assessment clinic at the Child Study Center under the direction of Thomas H. Ollendick, Ph.D. Duties included providing assessment and psychotherapy for children and families referred to the AD/HD clinic.

Fall 1994 to
Spring 1995

Clinical Practicum
Virginia Polytechnic Institute and State University
Blacksburg, Virginia

Involved a total of 480 hours of supervision, psychotherapy, assessment, report writing, and case management activities under the direction of Robert Stephens, Ph.D. and Jack Finney, Ph.D.

CLINICAL EXPERIENCE (Continued)

April 1994 to
July 1994

Staff Psychologist
Abilene State School
Abilene, Texas

Provided behavioral and psychological services to individuals with mental retardation and histories of criminal behavior.

July 1991 to
October 1991

Facility Behavior Therapy Director
Abilene State School
Abilene, Texas

Reviewed and gave final approval for all behavior therapy programs submitted by staff psychologists.

November 1990 to
July 1991

Staff Psychologist
Abilene State School
Abilene, Texas

Provided services to individuals with mental retardation, conducting functional analyses of behavior and designing and implementing behavior therapy plans on living areas and in classrooms.

January 1990 to
May 1990

Psychological Assistant
Big Spring State Hospital
Big Spring, Texas

Provided intake assessments, intelligence and personality testing, and individual psychotherapy to inpatients on an adolescent psychiatric unit.

Fall 1989

Clinical Practicum
Big Spring State Hospital
Abilene Christian University
Big Spring, Texas

Involved a total of 150 hours of intake, assessment, psychotherapy, and related activities with adolescents on an inpatient psychiatric unit. Administrative and supervisory activities included case reviews, consultation with psychologists working in the hospital, observation of intake procedures and psychotherapy, assessment, individual Ph.D. supervision, staff meetings, and report writing.

CLINICAL EXPERIENCE (Continued)

Summer 1989

Practicum III
Abilene State School
Abilene Christian University
 Abilene, Texas

Involved a total of 150 hours of assessment, behavior therapy, and related activities at a residential facility for individuals with mental retardation. Related activities included group and individual Ph.D. supervision, employee training, and scholarly work.

Summer 1989

Counseling Practicum
Abilene Christian University
 Abilene, Texas

Involved 150 hours of psychotherapy with adolescents and adults which included clinical interviewing, Ph.D. supervision, and readings and scholarly work.

RESEARCH EXPERIENCESeptember 1997 to
Present

Research Assistant
Medical College of Virginia
Virginia Commonwealth University
 Richmond, Virginia

Assist in the collection of data for a clinical drug trial entitled *The Safety and Efficacy of Risperidone vs Placebo in Conduct Disorder in Mild, Moderate, and Borderline Mentally Retarded Children Aged 5-12 Years* sponsored by Janssen Pharmaceuticals.

May 1996 to
August 1996

Research Assistant
Medical College of Virginia
Virginia Commonwealth University
 Richmond, Virginia

Participated in data collection for a grant funded study assessing knowledge and perceptions of HIV and AIDS in individuals with mental retardation. Activities included contacting sites and interviewing subjects.

RESEARCH EXPERIENCE (Continued)

Spring 1996

Research Assistant
Department of Psychology
Virginia Polytechnic Institute and State University
Blacksburg, Virginia

Assisted with a thesis project exploring health care utilization rates of children with depressive symptomatology. Duties included conducting structured clinical interviews with study participants.

Fall 1995

Research Assistant
Department of Psychology
Virginia Polytechnic Institute and State University
Blacksburg, Virginia

Assisted with a thesis project comparing family environment in the families of children with externalizing and internalizing disorders. Duties included conducting structured clinical interviews with study participants.

Fall 1995

Research Assistant
Department of Psychology
Virginia Polytechnic Institute and State University
Blacksburg, Virginia

Assisted with a dissertation project comparing the efficacy of a cognitive-behavioral treatment and an educational-support treatment for non-clinical panic. Duties included conducting screening and follow-up clinical interviews with study participants.

May 1995 to
August 1995

Research Assistant
Medical College of Virginia
Virginia Commonwealth University
Richmond, Virginia

Conducted cognitive assessment of children for a federally-funded AD/HD grant. Also participated in the development and validation of a scale for the assessment of HIV/AIDS knowledge and perceptions in individuals with mental retardation. Participated in the development and write-up of several studies.

RESEARCH EXPERIENCE (Continued)

November 1993 to
April 1994

**Director of Program Support and Development
Southwest Institute for Developmental Disabilities
Abilene, Texas**

Responsible for directing a number of behavioral and pharmacological research projects and involved in the design and write-up of these projects. Supervised behavioral and research technicians and coordinated residential behavioral services.

July 1991 to
November 1993

**Research Specialist
Southwest Institute for Developmental Disabilities
Abilene, Texas**

Directed the day-to-day activities of a pharmacological study, which included supervising research technicians, providing behavioral observation and functional analysis training for direct care staff and research technicians, and managing data generated from study. Also participated in the design and write-up of projects related to this study and in the composition of grant proposals.

TEACHING AND RELATED PROFESSIONAL EXPERIENCE

March 1999

**Pediatrics Noon Conference
Medical College of Virginia
Richmond, Virginia**

Co-presented a one-hour lecture for pediatrics residents on the multidisciplinary assessment of Autistic Disorder in young children.

May 1997 to
July 1997

**Graduate Teaching Assistant
Virginia Polytechnic Institute and State University
Blacksburg, Virginia**

Instructed undergraduate level Personality Research Lab. Activities included designing course syllabus, lecturing, supervising research activities; providing didactic experiences with experimental techniques in personality research; and assigning, facilitating, and determining grades for oral and written assignments.

TEACHING AND RELATED PROFESSIONAL EXPERIENCE (Continued)

August 1996 to
May 1997

Graduate Teaching Assistant
Virginia Polytechnic Institute and State University
Blacksburg, Virginia

Instructed undergraduate level Abnormal Psychology course. Activities included designing course syllabus; lecturing; preparing, administering, and grading tests and class assignments; and providing individual assistance to students.

January 1996 to
May 1996

Graduate Teaching Assistant
Virginia Polytechnic Institute and State University
Blacksburg, Virginia

Assisted George Clum, Ph.D., in the administration of an undergraduate level Abnormal Psychology class. Duties included administering tests, grading essays, and providing individual assistance to students.

August 1995 to
December 1995

Graduate Teaching Assistant
Virginia Polytechnic Institute and State University
Blacksburg, Virginia

Assisted Cynthia Lease, Ph.D., in the administration of an undergraduate Abnormal Psychology class and a graduate level Personality Assessment class. Duties included lecturing, administering tests, assisting in and reviewing scoring of the Rorschach, and providing individual assistance to students.

August 1994 to
May 1995

Graduate Teaching Assistant
Virginia Polytechnic Institute and State University
Blacksburg, Virginia

Responsible for conducting lecture and discussion classes and assigning weekly essay and examination grades for Introductory Psychology students. Also assisted in the administration of major examinations and instructor evaluations.
