Subject: Re: 2014 Harvest Field Data

Dear Tim,

Hope you are doing well. I wanted to check with you if it is okay to use photographs you shared in the earlier mail in my thesis, only to explain the operations like baling, infield hauling etc to the reader effectively.

Thank you!

Regards,

Rahul

Hi Rahul,

1. One bale mover was used for each bale type
 - a. A 12-bale Pro-Ag Bale Hiker (photo) for Round Bales
 - b. A 12-bale Stinger Stacker 6500 (photo) for Square Bales
