

## **Appendix II: Figures**

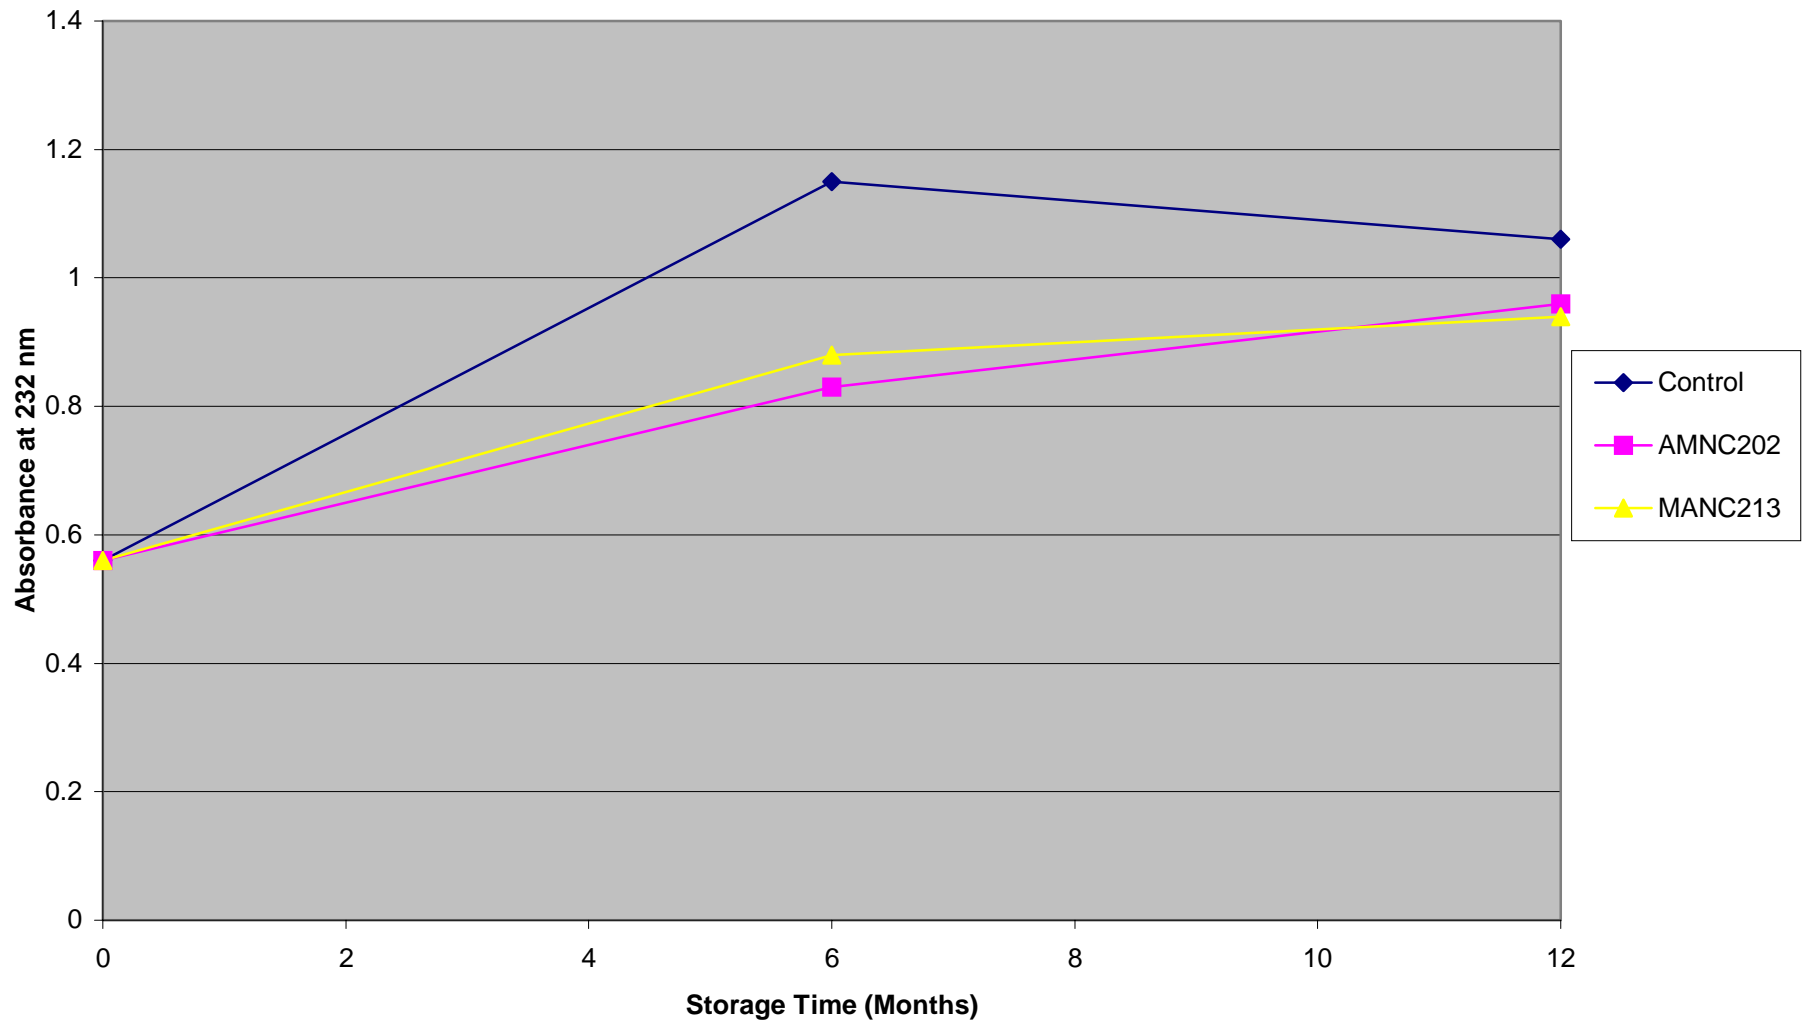

**Fig. 1: The Effect of Storage Time and Treatment on the Development of TBARS in Headed and Guttled Rainbow Trout**

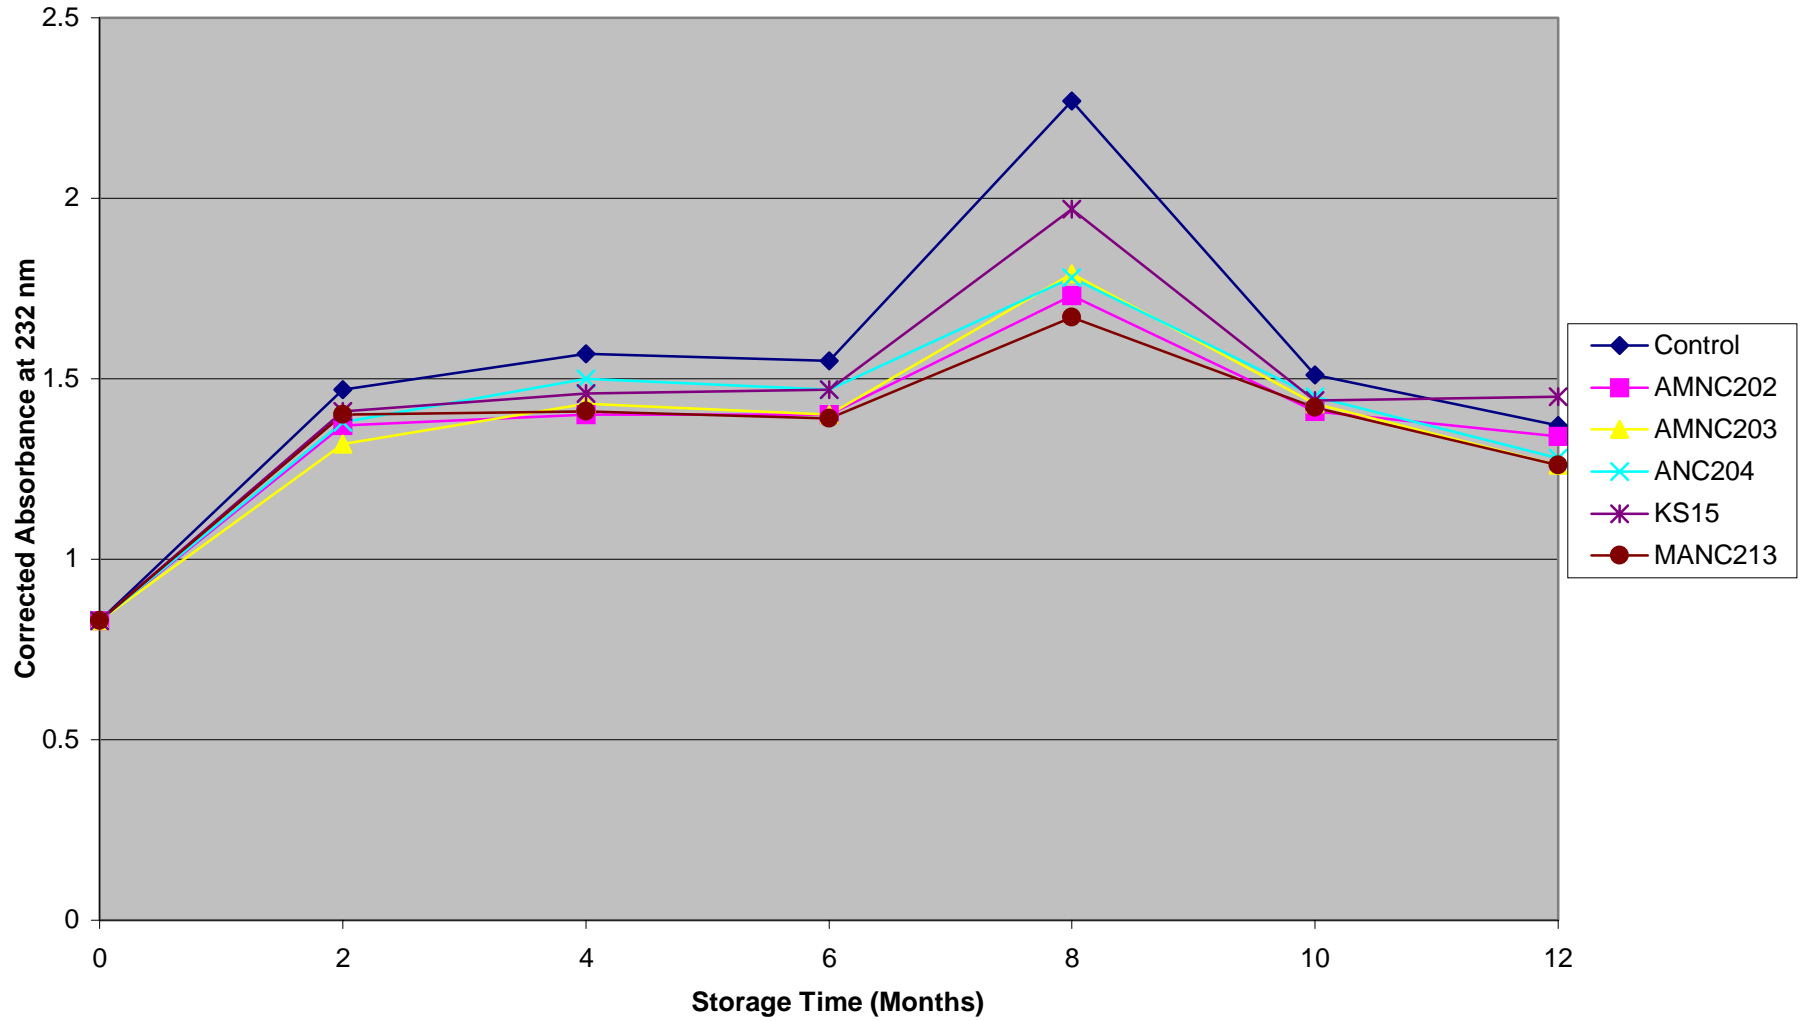

**Fig. 2: The Effect of Storage Time and Antioxidant Treatment on the Development of TBARS in Filleted Rainbow Trout**

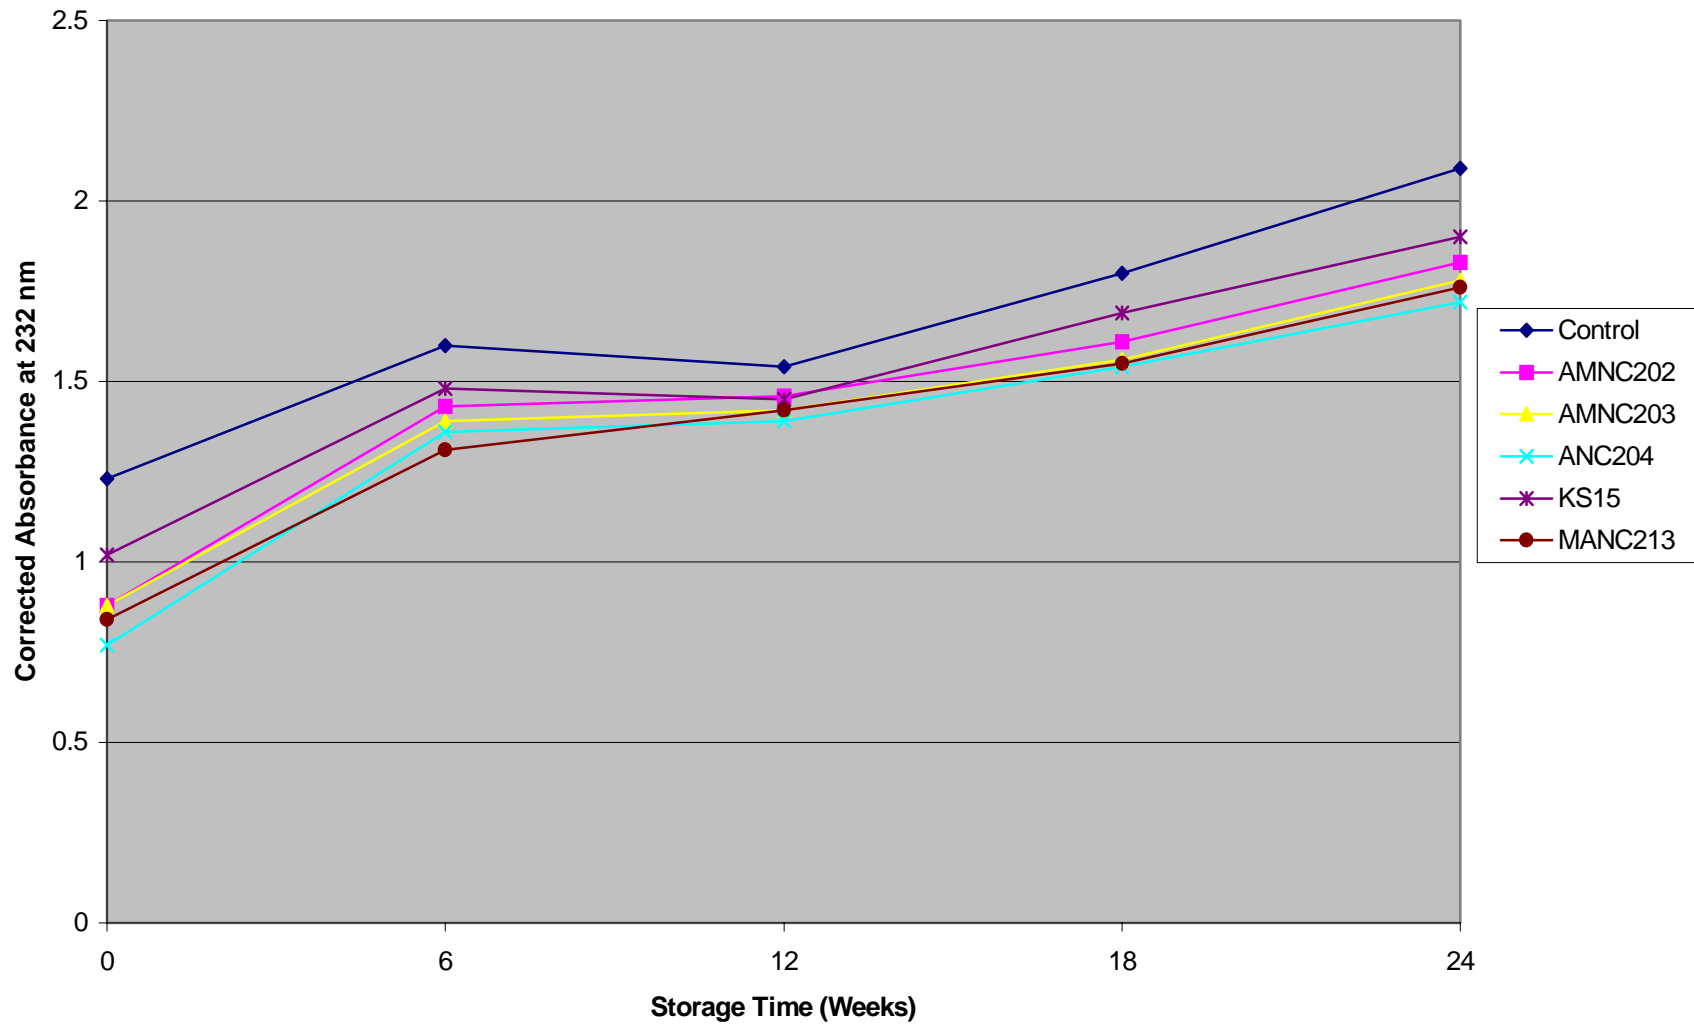

**Fig. 3: The Effect of Storage Time and Treatment on the Development of TBARS in Minced Rainbow Trout**

**Fig 4: The Effect of Storage Time and Treatment on the Development of Conjugated Diene Hydroperoxides (CDHP) in Headed and Guttred Rainbow Trout**

**Fig. 5: The Effect of Storage Time and Treatment on the Development of Conjugated Diene Hydroperoxides (CDHP) in Filleted Rainbow Trout**

**Fig. 6: The Effect of Storage Time and Treatment on the Development of Conjugated Diene Hydroperoxides (CDHP) in Minced Rainbow Trout**
