

## VITA

The author was born in the city of Manila, Republic of the Philippines, on 9 January 1964; the first child of Gregorio Vigilar and Consuelo Grino.

He graduated from the University of the Philippines in 1985 with the degree of Bachelor of Science in Civil Engineering (*cum laude*). In 1991 He obtained his Master's degree in Civil Engineering from Virginia Tech.

His experience in industry includes working at the MERALCO Industrial Engineering Services Corporation (MIESCOR), where he was involved in field operations for a major transmission line project and design of civil works, and Philippine Geoanalytics; a company specializing in soil testing and foundation design. He is currently with Abratique and Associates, Inc., an engineering consulting firm based in Los Angeles, California. He has worked in academia as well; having taught at the University of the Philippines and worked as a research/teaching assistant and adjunct instructor at Virginia Tech.

He is married to Maria Carmen Rita V. Gonzales, and has two children; Maria Veronica Clare and Consuelo Divina.
