Vignesh,

As the primary advisor for your MS thesis, you have my permission to use figures in your thesis from any published Physics of Plasmas articles of which I am corresponding author. I am the corresponding author of the paper referenced [Li et al, Physics of Plasmas 29, no. 11 (2022)] and you are welcome to use any figures from this in your thesis as long as you cite the original paper.

Best,

Bhuvana
