Subject: Copyright permission

Hello,

✓ I am seeking copyright permission for an image (Figure 1) in the published work below for my thesis.

M. Dijkstra, J. J. van Baar, R. J. Wiegerink, T. S. J. Lammerink, J. H. de Doer, and G. J. M. Krijnen,
"Artificial sensory hairs based on the flow sensitive receptor hairs of crickets," *J. Micromech. Microeng.*, vol. 15, pp. S132-S138, 2005.

I was wondering the process that I should follow to achieve this permission?

Thank you,

Kevin Garrison

PERMISSION TO REPRODUCE AS REQUESTED IS GIVEN PROVIDED THAT:

- (a) the consent of the author(s) is obtained
- (b) the source of the material including author, title of article, title of journal, volume number, issue number (if relevant), page range (or first page if this is the only information available), date and publisher is acknowledged.
- (c) for material being published electronically, a link back to the original article should be provided (via DOI).
