

List of Figures

2.1	Decision Theory Problem Diagram.	8
3.1	Security Device System Diagram.	13
3.2	Two Device System Diagram.	16

List of Tables

3.1	Detection Probabilities of Security Devices.	21
3.2	Operational Costs of Security Devices.	22
4.1	Sequences for Initial Conditions.	32
4.2	Computational Time by Search Algorithm.	34
4.3	Number of Occurrences of Local Optima.	38
4.4	Number of Occurrences of Global Optima.	38
4.5	Optimal Detection Systems and their Associated Total Costs. . .	40
4.6	False Alarm and False Clear Rates for Initial Solutions.	41
4.7	False Alarm and False Clear Rates for Optimal Solutions.	42
