

Dear Andrew,

Further to your recent email, permission is granted for **re-use of your own material** in your forthcoming title, subject to the following conditions:

1. The material to be quoted/produced was published without credit to another source. If another source is acknowledged, please apply directly to that source for permission clearance.
2. Permission is for non-exclusive, English language rights, and **covers use of your own material only**. Any further use shall be the subject of a separate application for permission.
3. Full acknowledgement must be given to the original source, with full details of figure/page numbers, title, author(s), publisher and year of publication.

Yours sincerely

Subject: Reprint Permission

Dear Sir or Madam:

I write to inquire about permission to reprint my work included in the ECPPM 2006 Proceedings: eWork and eBusiness in Architecture, Engineering and Construction. My work included in these proceedings was titled "Developing a new commercialization model for the residential construction industry, By AP McCoy, W. Thabet & R. Badinelli." I request permission to include the entire text in my manuscript dissertation and make full reference to the ECPPM proceedings book by Taylor and Francis.

I appreciate your time with this request.

Sincerely,

Andrew McCoy
