Hello Sharon,

Thank you so much for referencing our report!

I reviewed your PDF and it looks like copyright permissions are not necessary. You don't actually copy our charts into your article, so just referencing our work would be sufficient. Something like "Figure 1 was created based on data provided by the National Student Clearinghouse, High School Benchmarks Report (2018)." Create the citation/reference and link it to the report based on whatever referencing style that you use (APA/MLA).

Also, just to let you know, we have more updated data available on our website: <https://nscresearchcenter.org/high-school-benchmarks-2019/>

Thanks again! I'm so glad you found our research helpful.

Best,

Faye

EXTERNAL MESSAGE

Hello Cheree,

My name is Sharon Jones and I am interested in receiving copyright permission to use data from your website to create two charts. Attached is the information I plan to use wherein I offer full credit to the organization. Based on the information shared, is copyright permission necessary and if so, how might I obtain permission? Please let me know.

Thank you for your assistance with this matter. Have a great day!

Best Regards,

Sharon L. Jones
