

# TABLE OF CONTENTS

ABSTRACT.....	ii
TABLES.....	v
FIGURES.....	v
ACKNOWLEDGMENTS.....	vi
CHAPTER ONE. INTRODUCTION.....	1
1.1 Environmental Decisionmaking and Collaboration.....	1
1.2 Research Questions.....	3
1.3 Relationship of this Study to the Literature.....	4
1.4 Organization of this Study.....	4
CHAPTER TWO. LITERATURE REVIEW.....	6
2.1 Participatory Democracy.....	6
2.2 Collaborative Decisionmaking.....	9
2.3 Collaborative Environmental Decisionmaking.....	18
2.4 Science, Economics, and Values.....	20
CHAPTER THREE. METHODOLOGY.....	28
3.1 Determining the Elements of Collaboration.....	28
3.2 Case Studies.....	29
3.3 Participant Surveys.....	31
3.4 Interviews with Participants in the Case Studies.....	33
CHAPTER FOUR. DELINEATING COLLABORATIVE ENVIRONMENTAL DECISIONMAKING.....	34
4.1 Elements of Collaborative Environmental Decisionmaking in the Literature.....	34
4.2 A Review of Case Studies in the Literature and Print Media.....	38
4.3 Relationships among the Elements.....	41
4.4 Group Clusters around Element Combinations.....	49
CHAPTER FIVE. THE CHESAPEAKE BAY PROGRAM COMMUNITY WATERSHED INITIATIVE WORKGROUP...	52
5.1 Introduction.....	52
5.2 Information Obtained from the Chesapeake Bay Program.....	53
5.3 Verifying the Presence of the Elements of Collaboration.....	55
5.4 The Success of the Process.....	70
5.5 Achieving Results.....	72
5.6 Summary of Information Obtained.....	77

## TABLE OF CONTENTS (CONTINUED)

CHAPTER SIX. THE ELIZABETH RIVER PROJECT	
WATERSHED ACTION TEAM.....	78
6.1 Introduction.....	78
6.2 Information Obtained from the Chesapeake Bay Program.....	79
6.3 Verifying the Presence of the Elements of Collaboration.....	81
6.4 The Success of the Process.....	90
6.5 Achieving Results.....	94
6.6 Summary of Information Obtained.....	98
CHAPTER SEVEN. COMPARING THE CASE STUDIES.....	99
7.1 Generalizability of the Case Studies to Environmental Decisionmaking...	99
7.2 The Documents.....	100
7.3 The Survey Results.....	101
7.4 The Interviews.....	113
7.5 Summarizing the Comparison of the Two Groups.....	115
CHAPTER EIGHT. DISCUSSION.....	116
8.1 The Need for a Change in Perspective.....	116
8.2 Decisionmaking Power.....	120
8.3 The Importance of Establishing a Dialogue.....	126
8.4 Social Learning and Social Capital.....	129
8.5 Changing Positions through a Collaborative Process.....	132
8.6 Consensus.....	135
CHAPTER NINE. CONCLUSIONS.....	138
9.1 The Collaborative Environmental Decisionmaking Process.....	138
9.2 Understanding Collaboration.....	139
9.3 The Relevance of the Case Studies.....	141
9.4 The Social Learning Spiral.....	143
9.5 The Role of Values.....	147
LITERATURE CITED.....	149
RESUME.....	150
APPENDICES.....	156
Appendix One. Survey Questionnaire.....	156
Appendix Two. Cases of Environmental Management.....	158
Appendix Three. Taxonomic Distribution of the Cases Examined.....	161

## TABLES

Table One. Common Features of Collaboration as Indicated by Various Authors.....	39
Table Two. Occurrences of Elements of Collaborative Environmental Decisionmaking among the Examples.....	41

## FIGURES

Figure One. Number and percentage of Cases with Similar Elements in Situations Where a Formal Organization Was Established .....	42
Figure Two. Number and percentage of Cases with Similar Elements in Situations Where No Formal Organization Was Established .....	43
Figure Three. Questions on Open Discussions and Sharing of Information by the Workgroup.....	62
Figure Four. Questions on Decisionmaking by the Workgroup.....	64
Figure Five. Questions on Ability of the Workgroup to Reach Solutions.....	73
Figure Six. Questions on Open Discussions and Sharing of Information by the Watershed Action Team.....	88
Figure Seven. Questions on Decisionmaking by the Watershed Action Team.....	91
Figure Eight. Questions on Ability of the Watershed Action Team to Reach Solutions.	95
Figure Nine. Comparison of Answers to the Question Concerning Whether One Person Was Responsible for Making Final Decisions.....	102
Figure Ten. Comparison of Answers to the Question Concerning Whether Decisions Were Made by a Majority of Participants.....	104
Figure Eleven. Comparison of Answers to the Question Concerning Whether Decisions Were Made by Consensus.....	105
Figure Twelve. Comparison of Answers to the Question Concerning Whether Solutions Were Developed by the Group.....	106
Figure Thirteen. Comparison of Answers to the Question Concerning Whether the Respondents Felt the Process Was Successful.....	108
Figure Fourteen. Comparison of Participant Affiliations.....	110
Figure Fifteen. Comparison of the Ages of the Respondents.....	111
Figure Sixteen. Comparison of residence Locations for the Two Groups.....	112
Figure Seventeen. Closed Loop Process Lacking Elements of Collaboration .....	144
Figure Eighteen. The Social Learning Spiral.....	146
