Describe the **Purpose** and Character of Your Intended Use:

I am using this photo to show the overall view of Cyclorama system installed by The Elumenati, LLC. at Virginia Tech in 2016. I am writing a thesis paper explaining my graduate research which is using the Cyclorama system, designing a stereoscopic animation for educational use. The photo can provide my audience an brief understanding of the immersive experience in this semi-public space.

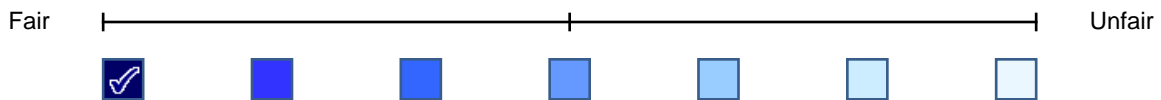

Describe the **Nature** of Your Intended Use of the Copyrighted Work:

The photo was taken inside the Cube at Virginia Tech's Institute for Creativity, Arts, and Technology, and this is the place I spend most of my graduate time doing research and projects. The photo can support my idea in my thesis paper which focus on explaining how the immersive experience works.

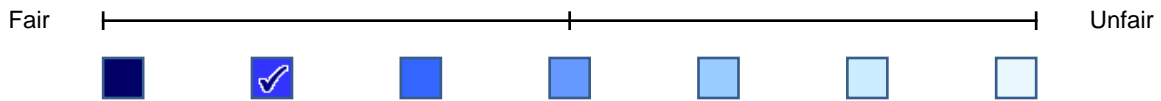

Describe the **Amount** of Your Intended Use in Relation to the Copyrighted Work as a Whole:

The photo is showing the overall view of Cyclorama system and including one person which doesn't have his face show clearly. The photo is capturing the facts of cyclorama system inside the Cube at Virginia Tech's Institute for Creativity, Arts, and Technology. Although the photo has been post edited a bit for a better expression, it is still a photo that provide educational facts and information.

Describe the **Effect** of Your Intended Use on the Potential Market or Value of the Copyrighted Work:

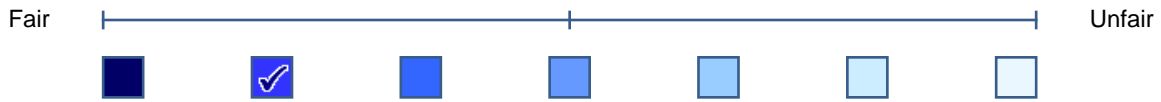

The photo has been uploaded since September 14, 2016 which is right after the installation of Cyclorama at Virginia Tech. It is also the time I got into researching and studying the Cyclorama system and work on stereoscopic animation with this system. The Cyclorama system means a lot to my thesis and the photo helps a lot for my audience to understand the environment.
