For Publication - Tissue Engineering: Parts A, B, & C
Questions/Comments - I'm writing my Ph.D. thesis. I wanted to include the whole papers that had been accepted in Tissue Eng. Part A and C into my thesis document.
Tissue Eng. Part A is The Design of In Vitro Liver Sinusoid Mimics Using Chitosan-Hyaluronic Acid Polyelectrolyte Multilayers.
Another one is A Comparative Study of Genome-Wide Transcriptional Profiles of Primary Hepatocytes in Collagen Sandwich and Monolayer Cultures.

In order for me to include the whole documents in my thesis, what should I have to do? or Can I get your permission with official letter? Please let me know.
Thank you.

You can consider the email your permission confirmation. If you need a more formal letter, let me know, but this usually suffices.

Dear Karen,

Can I consider your e-mail as the official permission? Isn't there official letter?
Thank you.
