An initiative of Beyond Boundaries and The Equity and Social Disparity in the Human Condition Strategic Growth Area at Virginia Tech.

Opening Keynote: Tuesday, November 28th - 12:30pm

The University and Our Human Future: Advancing Equity and the Human Condition

with guest speaker

Sylvester Johnson Ph.D.

Assistant Vice Provost for the Humanities

Workshop Topics Include:

What does it mean to be human when biological and digital life are increasingly intertwined?

Are standard social scientific methods adequate to meet the challenges of communities facing historical inequities and injustices?

How does political agency foster more inclusive economic systems?

Who determines the work of advancing the human condition?

Whose conditions are improved--and at what costs?

Grapple with questions surrounding the complex issues of our day!
