

Copyright Release Form

May 22nd, 2019

Graduate School – Virginia Tech

Blacksburg, VA

For the good and valuable consideration of the exchange of which is hereby acknowledged, I grant Virginia Tech a non-exclusive license to use my copyrighted Thesis document entitled “Implementation of a Mechanistic- Empirical Pavement Design Method for Uruguayan Roadways” (the “Work”). The Work is licensed under a Creative Commons Attribution-ShareAlike 4.0 International License (CC-BY-SA).

This license shall include the right to use, reproduce, publicly display, distribute, and transmit worldwide the Work during the full term of the copyright in all media, now known or hereafter devised, including the Internet, as long as the terms of the CC-BY-SA license are observed. Virginia Tech agrees to include in reproductions of the Work a reasonable copyright notice and credits provided that the necessary copyright and credit information is noted below.

By submitting this Copyright Release Form, I represent that I have obtained all permissions necessary to grant the rights granted by this form and that use or reproduction of the Work by Virginia Tech, as permitted by this Copyright Release Form, shall not infringe or violate any copyright, trademarks, trade secrets, rights of privacy or any other statutory or common law proprietary or other rights. I agree that any royalties or license fee charged for use of this Work shall be paid by the Entrant and not Virginia Tech.

Martin Scavone
