Describe the **Purpose** and Character of Your Intended Use:

This is used to illustrate the page that family and friends use to search for incarcerated people. It was made available prior to publication for comment. It is now available to the public. This use is intended to be publicly beneficial and transforms the way that it can be read. The use is not for profit, clearly defined and limited in scope. This is a one time use.

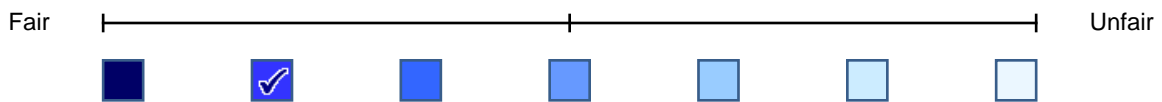

Describe the **Nature** of Your Intended Use of the Copyrighted Work:

This is an image of a public website. The work has been previously published and does not contain new information. It was not marketed, but is a public governmental form. It does not contain creative expressions. It is a factual/ form document.

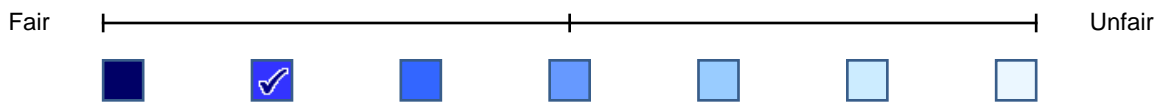

Describe the **Amount** of Your Intended Use in Relation to the Copyrighted Work as a Whole:

Only part of the screen is used to illustrate the page.

Describe the **Effect** of Your Intended Use on the Potential Market or Value of the Copyrighted Work:

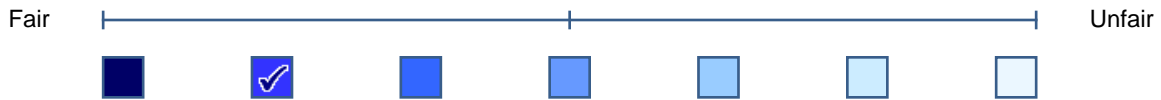

This has the potential to illustrate the platforms used and is essential to understanding the digital platform. This is not currently under commercial exploitation and there is not a market for the work. This is a form generated by a public agency. Use of the work minimizes the potential for unauthorized use. The copy of the work to be made publicly available and proper attribution will be given.
