

TABLE OF CONTENTS

TABLE OF CONTENTS	iii
LIST OF TABLES	v
LIST OF FIGURES	vi
Chapter 1 Introduction	1
Success for SMEs.....	1
Market Orientation, Learning Orientation, and Innovation.....	2
Relationship among Market Orientation, Learning Orientation and Innovation	4
Antecedents of Performance within the Context of SMEs	5
Statement of the Problem.....	7
Problems and a Networking Solution for the South Korean Apparel Industry.....	8
Purpose and Objectives.....	10
The Importance of the Study.....	12
Assumptions and Limitations.....	13
Chapter 2 Literature Review	14
Overview of the Global Textile and Apparel Industry.....	14
Competitive Strategies in the Global Textile and Apparel Industry	16
The South Korean Textile and Apparel Industry.....	18
Small and Medium Sized Enterprises (SMEs).....	20
Market Orientation.....	24
Customer Orientation.....	29
Competitor Orientation.....	32
Network.....	34
Supply Chain.....	35
Informal Relationship in Newly Industrialized Countries (NICs).....	37
Informal Relationships in the South Korean Textile & Apparel Industry.....	38
Learning Orientation and Innovation.....	39
Learning Orientation.....	39
Innovation.....	41
Definitional Overlap between Learning Orientation and Innovation.....	43
Performance.....	45
Chapter 3 Conceptual Framework and Hypotheses	47
Purpose of Study.....	47
Conceptual Framework and Hypotheses.....	47
Relationship between SMEs Market Orientation Components and Innovation (Hypothesis 1).....	49
Customer Orientation and Innovation	51
Competitor Orientation and Innovation	51
Network – Supply Chain and Innovation	52
Network – Informal Relationship and Innovation	52

Learning Orientation and Innovation (Hypothesis 2).....	53
Innovation and Performance (Hypothesis 3).....	54
Market Orientation and Performance (Hypotheses 4).....	55
Learning Orientation and Performance (Hypothesis 5).....	56
Chapter 4 Methods	59
Research Method.....	59
Instrument Selection	60
Market Orientation.....	63
Learning Orientation.....	64
Innovation.....	65
Performance.....	66
Validity and Reliability.....	67
Sample.....	67
Data Collection.....	72
Data Analysis.....	73
Chapter 5 Findings and Discussions	74
Demographic Results	74
Variable Formation and Description	76
Hypothesis Test Finding and Discussions	78
Results for H1 _{a-d} : Market Orientation and Innovation	78
Results for H2 _{a-d} : Learning Orientation and Innovation	82
Results for H3: Innovation and Performance.....	84
Results for H4 _{a-d} : Market Orientation and Performance	82
Results for H5 _{a-d} : Learning Orientation and Performance.....	85
Chapter 6 Summary, Conclusions, Implications, and Suggestions	89
Summary.....	89
Conclusions	90
Implications and Suggestions for Future Study	94
REFERENCES.....	97
APPENDIX A (Questionnaire)	109
APPENDIX B (IRB Approval)	114
APPENDIX C (Descriptive Statistics for each Measurement Item)	115

LIST OF TABLES

Table 1. SME categories in the European Union (EU).....	22
Table 2. Summary of Definition of SMEs.....	23
Table 3. SMEs studies relating market orientation, learning orientation, innovation, and performance.....	27
Table 4. Studies relating market orientation, learning orientation, innovation, and Performance.....	28
Table 5. Variables and Item Numbers for the Survey Questionnaire.....	60
Table 6. Validity and reliability scores from previous studies and reliability scores from the pilot test for dependent and independent variables.....	64
Table 7. Korean Apparel and Textile Industry Category by KSIC.....	70
Table 8. Demographic Information.....	75
Table 9. Summary of Findings	87

LIST OF FIGURES

Figure 1. Factors that increase a firm's performance based on studies of large firms or mixed-size firms	5
Figure 2. Factors that increase SMEs' performance based on studies of SMEs	7
Figure 3. Factors Related to South Korean Apparel SMEs' Performance	49
Figure 4. Market Orientation Components Related to South Korean Apparel SMEs' Innovation	51
Figure 5. Learning Orientation Components Related to South Korean Apparel SMEs' Innovation	54
Figure 6. Relationship between Innovation and South Korean Apparel SMEs' Performance	55
Figure 7. Relationship between Market Orientation and South Korean Apparel SMEs' Performance	56
Figure 8. Relationship between Learning Orientation and South Korean Apparel SMEs' Performance	57
Figure 9. Descriptive Statistics and Correlations among Variables and Components	77
Figure 10. Multiple Regression Results for Market Orientation Components and Innovation	79
Figure 11. Multiple Regression Results between Learning Orientation Components and Innovation	82
