Dear Aarushi Bhargava,

Thank you for your email and for taking the time to seek this permission.

When you transferred the copyright in your article to IOP, we granted back to you certain rights, including the right to include all or part of the [Final Published Version](#) of the article within any thesis or dissertation. Please note you may need to obtain separate permission for any third party content you included within your article.

Please include citation details, “© IOP Publishing. Reproduced with permission. All rights reserved” and for online use, a link to the Version of Record.

The only restriction is that if, at a later date, you wanted your thesis/dissertation to be published commercially, further permission would be required.

I wish you the best of luck with the completion of your thesis/dissertation.

Kind regards,

Sophie
